

Patient request for non-safety caps on prescription containers

Federal regulations require that when available, medications be packaged and dispensed with child-resistant caps or “safety caps.” The purpose of this legislation is to prevent children’s accidental ingestion of medication.

If you prefer that our pharmacy DOES NOT use child-resistant cap packaging for your medications, you (or your representative) must sign the waiver below. Please keep a copy of the signed form for your records and return it to Ardon by:

- **Fax** at 855-425-4096;
- **Mail** using the enclosed prepaid envelope
- **Mail** at Ardon Health, PO Box 20338, Portland, OR 97294-0338; or
- **Email** at info@ardonhealth.com

Authorization

By signing below, I request and acknowledge that ALL of my prescriptions dispensed by Ardon Health, on and after the date of signature, will NOT be packaged with child-resistant cap packaging when available.

Name of patient (print)	
Signature of patient or patient’s representative	Date of signature
